Dr. Drew's Blocks and Planks are made of the finest wood: kiln dried North American Beech. Blocks are all one size (3"x2"x1/2"). Planks are 2" wide and 6" or 12" long.

Dr. Drew's Blocks come in beautiful wooden trays with lock-corner construction, sturdy draw-string canvas bags, or cardboard boxes. Blocks can be exchanged for Planks to make a set with some of each at no extra charge.

**\* A portion of the profits from Dr. Drew's Toys, Inc. supports the work of the Reusable Resource Association. Contact us for more information.**
